

NURSERY ISD FAMILY ENGAGEMENT PLAN

2022-2023

Mission:

The mission of the Nursery Independent School District is to improve outcomes for all students through a collaborative effort on the part of the Board of Trustees, administration, professional and paraprofessional staff, parents, and community members. *We believe that all students can learn.*

Goals:

1. Every student will meet or masters Texas educational performance standards.
2. Talents, needs, and abilities of all students will be addressed to ensure maximum potential is achieved by each child.
3. We will integrate technology with instruction to enhance learning.
4. We will encourage parents to become full partners in the educational process.
5. A safe, secure, and healthy learning environment is the foundation to promote citizenship.

Staff/Parent Communication

- All documents will be sent home in English and in Spanish as necessary.
- Teachers and Staff will utilize Remind messages as the primary source of parent communication.
- Progress reports will be sent home midway through each grading period, as shown on the NISD Calendar.
- Parents will be notified when grades or student performance is not to teacher expectations. Notification will vary depending on student progress; NISD strives to keep all stakeholders informed of student progress and growth.
- Conferences will be scheduled on an as-needed basis, however, parents may request a conference at any time.
- NISD will utilize the website and marquee to inform parents of important or upcoming events.

Annual Title I Parent Meeting:

- NISD will hold at least one Title I meeting annually. This meeting will be held on or before Trunk or Treat. Title I information will be discussed during this time.
- NISD will purposefully plan greater parent participation through events, provided that student and community health regulations permit.

School Home Contract: NISD will distribute a contract at the first 9-weeks parent conference. These compacts establish the working norms and expectations for a positive home-school relationship.

District and Campus Accountability: The district will provide parents and guardians with information regarding the district accountability rating. This will be done at the Title I night. Accountability ratings are available upon request or can be found on the TEA website.

District Website and Parent Resources: The parent resources tab can be found on the district website, along with other valuable tools to help NISD students perform both academically and behaviorally.

Family Engagement Opportunities:

- Veteran's Day
- Trunk or Treat
- Thanksgiving Lunch
- Christmas Program
- Valentines Dance
- Spring Fling
- End of School Year Celebrations
- Field Day
- PTO Events
- Book Fairs
- Community Workdays
- Interviews with the Superintendent and Principal

Evaluation of NISD Plan:

In an ongoing effort to improve the school-home relationship, NISD and the SBDM committee will evaluate this plan and provide feedback and recommendations. Nursery ISD strives to engage all stakeholders to ensure every child learns at the maximum extent possible.
